

TRY CLEAN MAID
DC'S TRUSTED CLEANING SERVICE

Dear Valued Client:

Thank you for choosing Try Clean Maid for your professional cleaning solutions. We are happy to serve you with the upmost professionalism, reliability, and respect.

To ensure that you are 100% satisfied with your services, we have included a service checklist. Please use the appropriate checklist to conduct your final walk through inspection. If there are any items that need correction, it will be done right there in the appointment. If you are not home at the time of the appointment, please complete the appropriate checklist and return it by email within 6 hours of the appointment time.

Flexibility & Accommodation:

At Try Clean Maid, we will always put our mission first by being as helpful as possible, through flexibility and accommodations. Our customers may use one of the following methods to purchase services from us:

- ✓ Make Your Own Offer
- ✓ Request a Custom Quote
- ✓ Request a Pre-Packaged Quote

While our checklists are quite detailed and very thorough, we also understand not everyone needs everything we have to offer or may want additional services, you may visit our website to see a full list of services [here](#).

Please note the following cleaning limitations:

- We do not climb higher than a 2-step ladder. Higher items will only be dusted with an extension duster.
- We cannot move furniture, but we will try to reach visible places either by hand or with an extension duster. Most homes have at least one chandelier or vaulted ceiling fan that we cannot reach by hand.
- We cannot guarantee the results of mini-blind cleaning. Excessive build up may require ultra-sonic mini-blind cleaning (available upon request).
- Please allow for some dust resettlement after we leave, we try to limit the dust in the air but cannot prevent this entirely.

Included in this welcome packet:

- Deep Deluxe Checklist
- Perfect Maintenance Checklist
- Move In/Out Checklist

Please conduct your walk through immediately after the job has been completed if you are home during the cleaning, and bring up all your concerns while the cleaners are still at the house. Our cleaners will make sure to correct any and all mistakes right there and ask you to do another walk through before they leave. If you are not home during the appointment, please be sure to do the walk through as soon as you get home and check items that were missed using the enclosed checklist and return by email within six hours after the job completion. We promise to make sure that you are satisfied with the services rendered and will re-clean any areas of concern, we ask that you are present at the time of re-cleaning to conduct a final walkthrough.
